

Lab Contract #1

EXAMPLE CONTRACT

Complete 100 lessons for this Contract. Consult your manual to learn about each program (except the Formal Essay video) before you begin it. Clock in AND keep track of your time each time you visit the Lab. Attach all worksheets and printouts to turn in with your contract on the due date.

- 15 **100 Passages.** Begin with #50. If too hard, skip back to easier passages.
Once you've scored your passages, decide which skill needs more work
Then work on that skill in Comprehension Skills Series
- 20 **Comprehension Skills Series, Advanced Skill:** _____
- 25 **RFU Senior Kit,** Begin with Card 75 (Each card with 10 items=one lesson)
- 10 pts **Visit the publisher's website** at www.mhhe.com/spears.
Complete 2 exercises from Chap. 1, 2 or 3. Email the reports page
to yourself and attach to this contract.
- 5 pts **View the video, "The Formal Essay."** Take at least 2 pages of notes.
- 5 pts **View the video "Super Mapping."** Take at least 2 pages of notes.
- 5 pts Choose an article or passage from **Lab Manual, Section G, page 5**
and complete a concept map based on it using **Inspiration** (Manual pg. 26.)
- 5 pts Read and complete **The Basic Building Blocks of Thinking**
at <http://www.santarosa.edu/~dpeterso/permanenthtml/lessonFRAME.htm>
Summarize what you learn here in at least two pages of notes.
- 10 Complete ten lessons from another program of your choice. Select from
your lab manual. _____

← Enter the number of lessons you completed this contract.

The total number of lessons you complete is your grade. If you're unsure about what makes up a lesson, look for the samples in your manual or ask at the Lab Counter.

Estimated time for this contract is 400 minutes.
Actual time you spent on this contract is _____
